October 6, 2006

Greetings,

The following Female Catalog is our complete herd. The females are in order of oldest to youngest.

Our cows were originally selected from three different sources, Noah's Angus Ranch (Cambridge, ID), Thomas Angus (Baker, OR) and the former Van Nice Angus Ranch (Silver Star, MT), for their dispositions; good udders; calving ease; conformation; ability to reproduce and improve themselves; and easy fleshing. These ladies are daughters of SAF Fame, Leachman Delegate, Connealy Dateline 62, B/R New Design 036, Thomas Latigo, GDAR Traveler, N Bar Explosion, VDAR Lucys Boy, Schoenes Fix It 826, and many others. In addition, we have offspring by our own Leachman New Design 3009J and Thomas Precision E161 1132. The female families include Choice, Blackberry, Blackbird, Erica, Ester, Lucy, Rosegay and others. These ladies are producing great replacement heifers, bull calves and feeders. They are also producing calves who excel in the feedlot and who ALWAYS grade out Choice or higher with a higher than average number grading out Certified Angus Beef. Our females are excellent mothers, easy to work and are relatively low maintenance. Since our cattle are used to being worked on foot and horseback they are perfect for the smaller "Mom and Pop" ranches. Additionally, one of our cows has achieved Pathfinder status from the American Angus Association. These are profitable cattle for a diversified marketplace.

**All females are bred to our Bon View New Design 1407 son, Leachman New Design 3009J, for spring 2007 calves.**

**BRED** Prices are as follows:

Cows Age 9 and older – \$1200.00

Cows and Heifers Age 3-8 – \$2000.00

2-Year-Old Heifers (purebred Black Angus, but are not registered. All can be registered) – \$1500.00

*Multiple Female Discount Available – Applies to purchase of 10 or more bred females at one time.*

Thank you for your interest. Please contact us with any questions and to add some excellent females to your breeding operation.

Sincerely,

Neal & Johanna Nielsen  
CJ Ranch
